

November 8, 2023

To: Village of Lomira Residents, Visitors, and Stakeholders

As you may know, the section of South Avenue located between Fourth Street and Third Street can become quite congested, especially during the morning school drop-off and afternoon school pick-up times. In an effort to improve safety and traffic congestion, a section of South Avenue near the School District of Lomira Elementary will become a one-way street and have improved traffic flow and parking. **This change will take effect January 2, 2024.** Please refer to the pictures below.

The section of South Avenue between Fourth Street and Third Street will become one-way traffic and parking. Traffic will be permitted to flow from west to east. Parking will be permitted on the north side of South Avenue, facing east. The south side of South Avenue in front of the school will be dedicated as a loading/unloading zone during school days. We feel this will best serve pedestrian safety, drop-off and pick-up access, and organized parking.

South Avenue between Fourth Street and Third Street will become a one-way street.

Parking will be permitted on the north side of South Avenue.

Loading and unloading will be permitted on the south side of South Avenue during school hours.

Please contact me or a Board member with any questions or concerns you may have.

Thank you,

Jenna Rhein

Village of Lomira Administrator-Clerk-Treasurer
