# Village of Lomira Proposed Wheel Tax

# What is it?

Wisconsin law allows a town, village, city or county to collect an annual vehicle registration fee (wheel tax) in addition to the regular annual registration fee paid for a vehicle. The fee applies to vehicles kept in the municipality or county with:

- Autocycle registration
- Automobile registration
- Truck registration at 8,000 lbs. or less (except dual purpose farm)

This includes most special license plates with autocycle, automobile or truck registration.

State law does not specify the amount of the wheel tax and all revenue from the wheel tax must be used for transportation related purposes.

# Exemptions

- Buses, motorcycles, mopeds, motor homes, low-speed vehicles and trailers
- Trucks registered at more than 8,000 lbs. or registered at Farm or Dual-Purpose Farm
- Vehicles registered as Antique, Collector, Driver Education, Historic Military vehicle, Hobbyist, Human Service Vehicle, Low-Speed vehicle, Medal of Honor, Municipal, State-owned, Special X and one vehicle with Ex-Prisoner of War registration issued to any qualified individual
- Any vehicle with registration issued by a Wisconsin Indian Tribe or Band
- Vehicles displaying Dealer, Distributor, Finance company or Manufacturer plates

# Municipalities with current wheel tax

Appleton (city; \$20)  
Arena (township; \$20)  
Baraboo (city; \$20)  
Beloit (city; \$20)  
Bellevue (village; \$20)  
Eden (village; \$20)  
Evansville (city; \$20)  
Fort Atkinson (city; \$20)  
Gillett (city; \$20)  
Green Bay (city; \$20)  
Iron Ridge (village; \$10)  
Janesville (city; \$20)  
Kaukauna (city; \$10)  
Lodi (city; \$20)  
Madison (city; \$40)

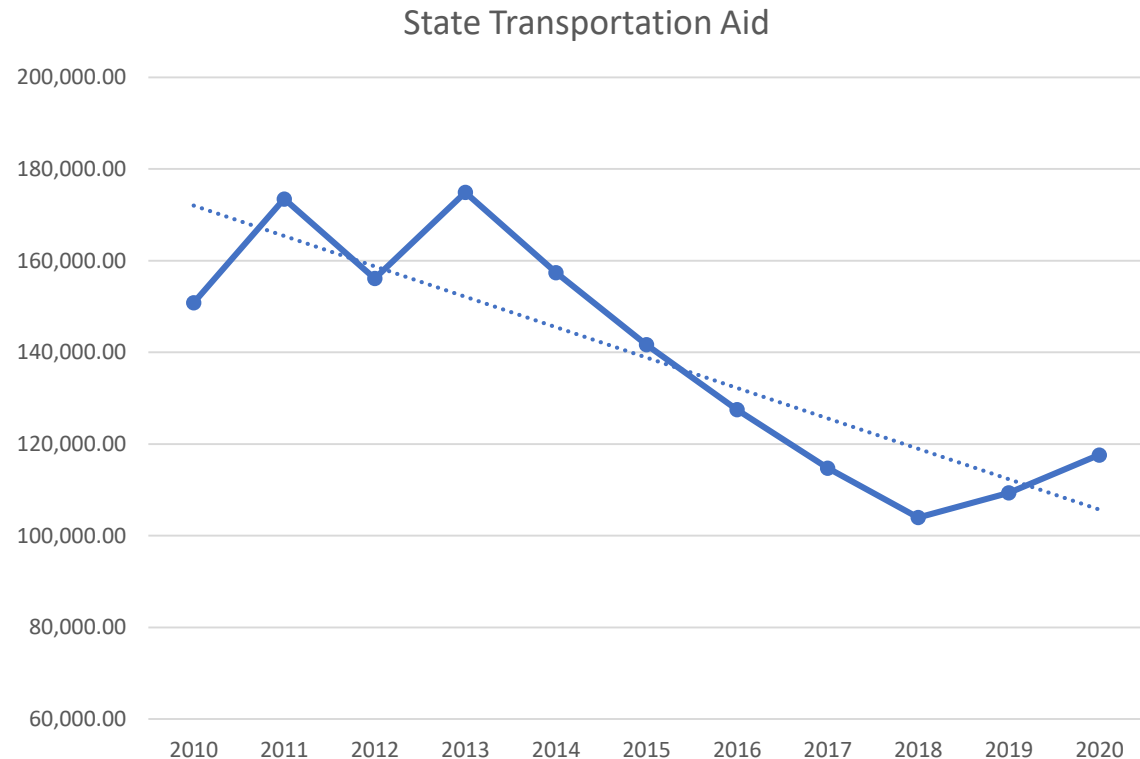

Manitowoc (city; \$20)  
Milton (city; \$30)  
Milwaukee (city; \$20) \$30 as of 2/2/2021  
Montello (city; \$20)  
New London (city; \$20)  
Platteville (city; \$20)  
Portage (city; \$20)

Sauk City (village; \$20)  
Sheboygan (city; \$20)  
Tigerton (village; \$10)  
Waterloo (city; \$15)

# Key Reasons for Wheel Tax Implementation

- State Transportation Aid continues to decline
- Cost of construction increases but municipal revenue is capped
- Utilization of streets is increasing (faster deterioration)

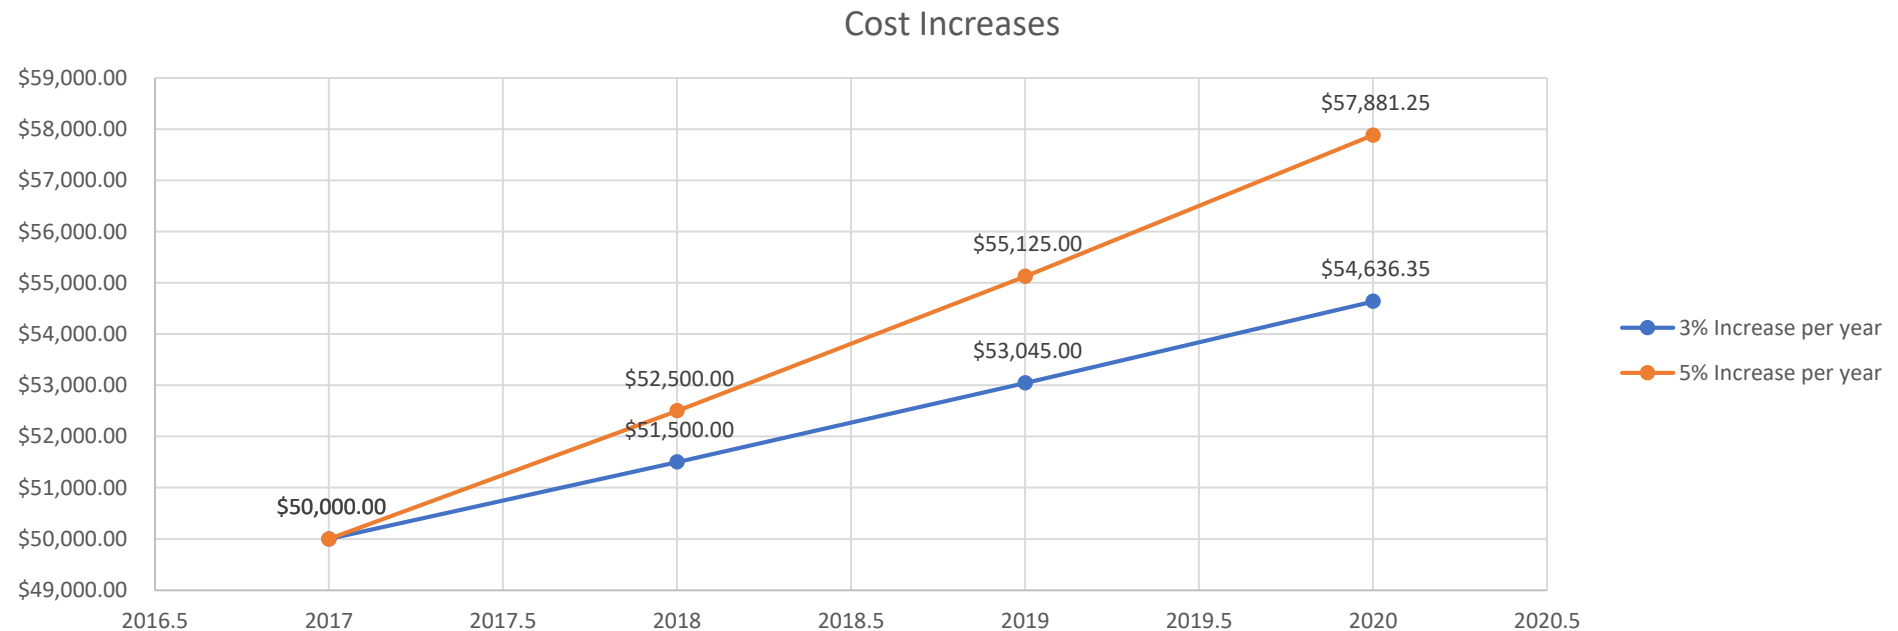

# State Transportation Aid

<u>Year</u>	<u>Amount</u>
2010	\$150,820.96
2011	\$173,444.10
2012	\$156,099.56
2013	\$174,879.97
2014	\$157,391.97
2015	\$141,652.77
2016	\$127,487.49
2017	\$114,738.74
2018	\$103,973.69
2019	\$109,340.10
2020	\$117,611.10

# Increasing Construction Cost

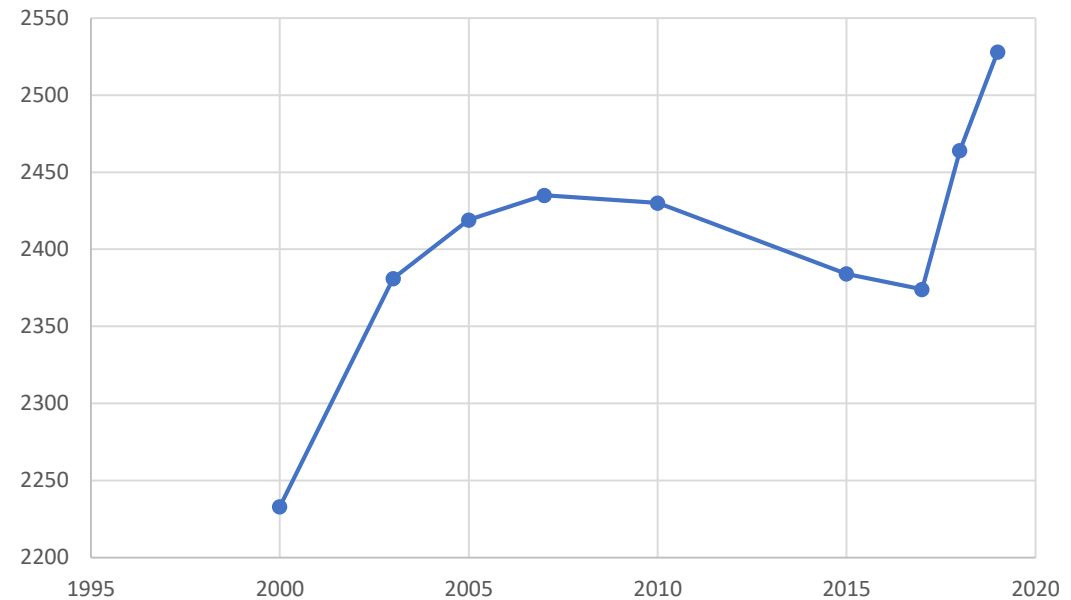

Construction costs have been increasing 3 to 5 percent per year over the last three years

# Increasing Street Utilization

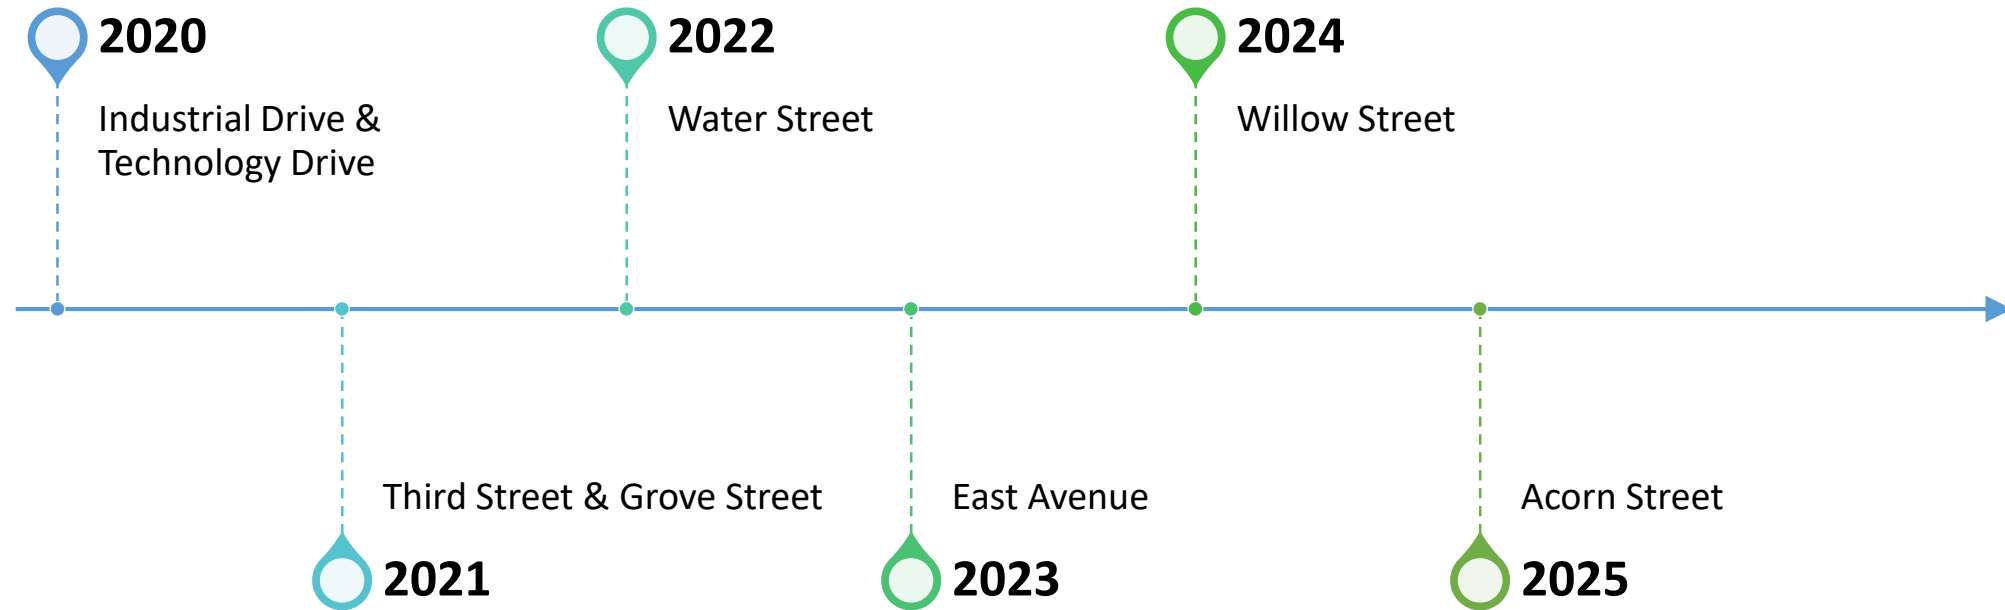

- Population of Lomira increased by 13% since 2000 (2233 – 2528)
- Population increasing faster than 64% of similar municipalities

Lomira Population 2000 to 2019

East Avenue

# Village of Lomira's Proposed Wheel Tax Plan

- Beginning May 1, 2021 all vehicles described in Wisconsin Law 341.35 (with listed exemptions) that are kept in the village of Lomira will have an additional \$30.00 added to their annual registration fee.
- Seventeen cents of each registration will go to the state with the rest going to the village Transportation Fund.
- This tax is designed to be discontinued April 30, 2026.
- At that time the village board will reassess the village financial picture and determine the future of any wheel tax.
