Mayville EMS responded to 17 calls within the Village of Lomira during the month of April.

We are currently finishing up our Spring EMT class and are excited to begin our Advanced EMT (AEMT) course this fall. Continuing education and provider development remain a priority as we work to strengthen emergency medical services for our community.

Unfortunately, we were unable to gather enough student interest to hold a summer EMR class at Lomira High School. However, we continue to work closely with the school district to explore additional opportunities and ideas for the fall semester.

Thank you for your continued partnership with Mayville EMS.

Thank you,

Julie Staffin
