

Street Sweeping – Week of April 29th

We're doing some Spring cleaning.....on the streets, that is! During the week of April 29 to May 3 between 7:30am and 4pm, the Public Works will be street sweeping throughout the Village to keep our community looking top-notch 😊 (and to prevent unwanted debris from entering the storm drains). You can help us by refraining from parking on the street if possible. It will make the process go much smoother! We appreciate your cooperation!
