LOMIRA FIRE DEPARTMENT REPORT

March 1, 2026 – March 31, 2026

Month in Review

19 - EMR Medical Calls, 6 calls no EMRs available.

8 - Fire Calls Total.

- 3/6, Auto Aid Brownsville Fire for report of fire near Michels Corp. (Canceled before any personnel arriving at station).
- 3/12, 2 Vehicle head on crash on Super Drive near East Lane with 2 serious injuries, mutual aided by FDL Paramedics and Flight for Life.
- 3/13, Semi Truck Rollover I-41 Southbound by Lomira Auto, 1 injury.
- 3/14, Auto Aid Eden Fire for report of smoke in the house on Maple Ridge Dr.
- 3/15, Vehicle fire under tree on Water Street.
- 3/26, Dumpster fire on Pleasant Hill Avenue by We Energies Lot, Mutual Aid by Theresa and Knowles Fire Department.
- 3/28, Controlled burn welfare check.
- 3/31, Small vegetation fire at County Rd. K & Drumline Drive.

27 - Total Calls for March 2026.

EMR Training in March consisted of Splinting injuries review. Fire Training in March consisted of search and rescue of downed unconscious firefighter and using RIT tactics to evacuate him. We also practiced with our air bag for lift extrication training.

We have ordered 4 new Kenworth portable radios using the Area Fundraiser money from 2024 to start working towards having compliant frequencies that the counties will be planning on utilizing by 2030. This will be a spread-out continued purchase of replacement portable and mobile radios over the next few years and may be covered by some grant funding that has been applied for. Radios average \$3000 - \$8000 per unit depending on what brand a department chooses. Without upgrading our systems to be able to handle the required frequencies we will be unable to communicate with the dispatchers once they switch over.

On Monday March 30th we conducted a tour with Knowles, Brownsville, and Theresa Fire Departments at Christian Dairy with LF Bio company going over the new gas emergency response guidelines and their systems

Firefighter Dan Thomas will be on medical leave of absence until further notice due to injuries he sustained during his regular full-time job.

Dear Village of Lomira Officials,

Here is a monthly update for March.

We responded to 19 calls for service in the Village of Lomira during the month of March, bringing the year-to-date total to 55 calls.

We also recently met with the clerks and a grant writer to discuss the Innovation Grant process. We have since learned there may be a second round of applications due to a lower-than-expected response in the initial round. We are continuing to work through how this opportunity may move forward and will share more information as it becomes available.

To enhance patient care, we have added four portable Nitrous Oxide units to our ambulances. These units provide an effective first-line option for pain control in a variety of situations and are a great addition to the tools available to our crews.

Additionally, we have increased staffing and have hired two more EMTs who will be starting this month, helping to further support coverage and response capabilities.

We are also currently exploring a potential partnership with Lomira High School to offer a summer school EMR program. This would be a great opportunity to introduce students to EMS and help build a future workforce. More information to come as plans develop.

As always, if you have any questions or would like additional information, please feel free to reach out.

Thank you for your continued support and partnership.

Sincerely,
Julie Staffin
Mayville EMS
