COMPLAINT PROCEDURE: (Primary Method)

If you wish to make a complaint against a police officer of the Village of Lomira Police Department, you should complete and sign this Citizen Complaint Form. Once the Lomira Police Department has received the signed Citizen Complaint Form, an investigation will be initiated.

The investigation of a complaint filed on the Department’s Citizen Complaint Form will be completed as soon as possible. However, much depends on the depth of the investigation and/or the availability of involved persons. You will be provided a contact person who will keep you apprised of the status of the investigation. Upon completion of the investigation, you will be provided with a written disposition from the Chief of Police. This written disposition will explain the result of the investigation.

If the complaint is not resolved to your satisfaction, you may request a meeting with the Chief of Police to discuss the matter. Or as an alternative, you may file formal charges against the Police Officer with the Village of Lomira Board of Trustees.

Village Board of Trustees: (Alternative Method)

Pursuant to Section §62.13(5) of the Wisconsin Statutes, you may, as an alternative, file your complaint directly with the Village of Lomira Board of Trustees.

Formal charges can be filed if you believe that you are an aggrieved person. Formal charges must be in writing and must be sufficiently detailed so that all parties understand the conduct involved and contain the specific rules, regulations, or standards of conduct you believe the police officer has violated. The formal charges shall be filed with the Village President. The rules for any subsequent investigation and resolution of those charges are set by the Board.

False Complaints:

It is important to note that making a statement which you know to be untrue and/or false may subject yourself to criminal charges with the Dodge County District Attorney’s office or a civil lawsuit.

Wisconsin State Statute §946.66 states, “Whoever knowingly makes a FALSE complaint regarding the conduct of a Law Enforcement Officer is subject to a class “A” forfeiture (Arrest).
