

AGENDA: VILLAGE OF LOMIRA BOARD MEETING
425 Water Street, Lomira
September 9, 2026 7pm

1. Call Public Meeting to Order
2. Roll Call
 - Tr. Alf
 - Tr. Jewell
 - Tr. Kohlmann
 - Tr. Loomans
 - Pr. Luedtke
 - Tr. More
 - Tr. Priesgen
3. Pledge of Allegiance
4. Consider the agenda as presented
5. Consider the previous meeting minutes as emailed
6. Public Appearances and Comments (limited to 2 minutes per person)
7. Consider the wastewater treatment plant disinfection project plans and authorize MSA Professional Services to submit the plans to the WI DNR for review
8. Discuss the Lomira pool operations and future operations
9. Consider granting an operator liquor license to Jason Keys
10. Consider granting a temporary Class “B” beverage license to Rocko’s MS Fundraising Group to sell at the Lomira Athletic Fields Park on September 11 & 12
11. Consider granting a “Class B” liquor and fermented malt beverage license to Lola’s Mexican American Cuisine LLC at 580 East Avenue
12. Consider Ordinance #385, updates to the recycling guidelines
13. Consider the 2027 stray animals contract with the Dodge County Humane Society
14. Consider the contract with Bowmar Appraisal as the Village assessor
15. Consider the bills listed: General Fund \$60,160.32; Utility Fund \$90,500.75
16. Monthly Department Reports:
 - a. Dodge County Sheriff’s Office
 - b. Fire Department
 - c. Library
 - d. Public Works
 - e. Administrator-Clerk-Treasurer
17. Adjournment

Join the meeting virtually!
Microsoft Teams meeting

Meeting ID: 282 562 095 214 885

Passcode: MH9d6it6

Agendas are posted in the following places: Lomira municipal building and website www.villageoflomira.gov at least 24 hours before meeting(s). Persons requiring additional services to participate in any public meeting should contact the Clerk-Treasurer’s office at 920-269-4112 option 2 for assistance prior to the meeting.

ORDINANCE NO. 385

The Village Board of the Village of Lomira, Wisconsin, hereby amends ARTICLE II. – SOLID WASTE RECYCLING PROGRAM to read as follows:

Sec. 18-35. – Solid waste disposal and recycling.

- (a) *Purpose.* The purpose of this chapter is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in Wis. Stats. § 287.11 and Wis. Admin. Code ch. NR 544.
- (b) *Statutory authority.* This ordinance is adopted as authorized under Wis. Stats. § 287.09(3)(b) and the Board of the Village of Lomira.
- (c) *Abrogation and greater restrictions.* It is not intended by this chapter to repeal, abrogate, annul, impair, or interfere with any existing rules, regulations, ordinances, or permits previously adopted or issued pursuant to law. However, whenever this chapter imposes greater restrictions, the provisions of this chapter shall apply.
- (d) *Interpretation.* In their interpretation and application, the provisions of this chapter shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this chapter may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this chapter is required by Wisconsin Statutes, or by a standard in Wis. Admin. Code ch. NR 544, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Wis. Admin. Code ch. NR 544 standards in effect on the date of the adoption of this chapter, or in effect on the date of the most recent text amendment to this chapter.
- (e) *Severability.* Should any portion of this chapter be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this chapter shall not be affected.
- (f) *Applicability.* The requirements of this chapter apply to all persons within the Village of Lomira.
- (g) *Administration.* The provisions of this chapter shall be administered by the village public works director. Items not specifically addressed by this section shall be handled by the director of public works based on common municipal practices. The director of public works and any other member of law enforcement shall randomly inspect, through contact with service providers and search of garbage left for pickup, for the purpose of determining compliance with this section and are further authorized and empowered to issue citations for violations of any of the provisions hereof.
- (h) *Definitions.* The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where context clearly indicates a different meaning:

“*Approved waste and/or recycling container*” means cart/dumpster provided by the refuse and recycling business under contract with the Village of Lomira, property owner, or tenant.

“Bulk materials” means items which are impossible or impractical to place in an approved waste or recycling container including household furniture and major appliances but excluding construction debris.

“Bi-metal container” means a container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.

“Container board” means corrugated paperboard used in the manufacture of shipping containers and related products.

“Foam polystyrene packaging” means packaging made primarily from foam polystyrene that satisfies one of the following criteria:

- (1) Is designed for serving food or beverages.
- (2) Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.
- (3) Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.

“Glass container” means a glass bottle, jar or other packaging container used to contain a product that is the subject of a retail sale and does not include ceramic cups, dishes, oven ware, plate glass, safety and window glass, heat resistant glass such as Pyrex, lead-based glass such as crystal, or TV tubes.

“Hazardous waste” means any substance or combination of substances including any waste of a solid, semi-solid, liquid or gaseous form which may cause or significantly contribute to any increase in mortality or an increase in serious irreversible or incapacitating reversible illness or which may pose a substantial present or potential hazard to human health or the environment because of its quantity, concentration or physical, chemical or infectious characteristics. The term "hazardous waste" includes, but is not limited to, substances which are toxic, corrosive, flammable, irritants, strong sensitizers, or explosives as determined by the Department of Natural Resources.

“HDPE” means high-density polyethylene, labeled by the SPI code# 2.

“LDPE” means low-density polyethylene, labeled by the SPI code# 4.

“Magazines” means magazines and other materials printed on similar paper.

“Major appliance” means residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven, refrigerator, furnace, boiler, dehumidifier, waste heater, or stove.

“Multiple-family dwelling” means a property containing five or more residential units, including those which are occupied seasonally.

“Newspaper” means a newspaper and other materials printed on newsprint.

“Non-residential facilities and properties” means commercial, retail, industrial, institutional and governmental facilities and properties. The term "non-residential facilities and properties" does not include multiple-family dwellings.

“Office paper” means high grade printing and writing papers from offices in non-residential facilities and properties. Examples include printed white ledger and computer printouts. This term does not include industrial process waste.

“Other resins or multiple resins” mean plastic resins labeled by the SPI code# 7.

“*Person*” means an individual, trust, firm, cooperative, institution, joint stock company, corporation (including a government corporation), partnership, association, state, municipality, commission, political subdivision of a state unit, as defined in Wis Stats. § 66.0131(1)(a), interest body of federal government, agency or instrumentality.

“*PETE or PET*” means polyethylene terephthalate, labeled by the SPI code# 1.

“*Plastic container*” means an individual, separate, rigid plastic bottle, can, jar or carton, except for a blister pack, that is originally used to contain a product that is the subject of a retail sale.

“*Postconsumer waste*” means solid waste other than waste generated in the production of goods, hazardous waste, as defined in Wis. Stats. § 291.01(7), waste from construction and demolition of structures, scrap automobiles, or high-volume industrial waste, as defined in Wis Stats. § 289.01(17).

“*PP*” means polypropylene, labeled by the SPI code # 5.

“*PS*” means polystyrene, labeled by the SPI code # 6.

“*PVC*” means polyvinyl chloride, labeled by the SPI code # 3.

Recyclable *materials* include lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins; steel containers; waste tires; and bi-metal containers.

“*Solid waste*” has the meaning specified in Wis. Stats. § 289.01(33).

“*Solid waste facility*” has the meaning specified in Wis. Stats. § 289.01(35).

“*Solid waste treatment*” means any method, technique or process which is designed to change the physical, chemical or biological character or composition of solid waste. "Treatment" includes incineration.

“*Waste tire*” means a tire that is no longer suitable for its original purpose because of wear, damage or defect.

“*Yard waste*” means leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than six inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

Sec. 18-35(1). - Effective date.

The provisions of this article shall take effect on September 10, 2026.

Sec. 18-35(2). - Separation of recyclable materials.

Occupants of single-family and 2-to-4-unit residences, multi-family dwellings, and non-residential facilities and properties shall separate the following materials from postconsumer waste:

- (1) Lead-acid batteries.
- (2) Major appliances.
- (3) Waste oil.
- (4) Yard waste.
- (5) Aluminum containers.
- (6) Bi-metal containers.
- (7) Corrugated paper or other container board.

- (8) Foam polystyrene packaging.
- (9) Glass containers.
- (10) Magazines.
- (11) Newspaper.
- (12) Office paper.
- (13) Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins.
- (14) Steel containers.
- (15) Waste tires.

Sec. 18-35(3). - Separation requirements exempted.

The separation requirements of [section 18-35\(2\)](#) do not apply to the following:

- (1) Occupants of single-family and two-to-four-unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in [section 18-35\(2\)](#) from solid waste in as pure a form as is technically feasible.
- (2) Solid waste which is burned as a supplement fuel at a facility if less than 30 percent of the heat input to the facility is derived from the solid waste burned as supplement fuel.
- (3) A recyclable material specified in [section 18-35\(2\)](#) for which a variance has been granted by the Department of Natural Resources under Wis. Stats. § 287.11(2m), or § NR 544.14, Wis. Administrative Code.

Sec. 18-35(4). - Care of Separated Recyclable Materials.

To the greatest extent practicable, the recyclable materials separated in accordance with section 18.35(2) shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner that protects them from wind, rain, and other inclement weather conditions.

Sec. 18-35(5). - Management of Lead Acid Batteries, Major Appliances, Waste Oil, Yard Waste and Tires.

Lead-acid batteries, major appliances, waste oil, yard waste, and tires are banned from the landfill. Occupants of single-family and two-unit residences, multiple-family dwellings, and non-residential facilities and properties shall manage lead-acid batteries, major appliances, waste oil, and yard waste as follows:

- (1) Lead-acid batteries (automotive) shall not be collected by the village or its refuse contractor. These materials must be disposed of in accordance with Wis. Stats. ch. 287, through local retailers that sell these products.
- (2) Major appliances shall be disposed of properly. Any major appliance containing Freon (refrigerators, freezers, air conditioners, etc.) must have the Freon removed by a responsible vendor. Pickup and disposal costs are the responsibility of the generator.
- (3) Waste oil shall be disposed of properly. The Village's only oil tank is at 549 Church St. for disposal. This tank is for motor oil only. Oil must be emptied from containers, and the containers, including filters, removed from the site.
- (4) Yard waste, i.e., grass, garden waste, leaves, and non-chippable material shall be recycled on site where generated (i.e., composting or chipping) or disposed of at the waste bin(s) at 100 Pleasant Hill Ave. Nothing other than yard waste may be disposed of at the village site. Yard waste must be emptied from all containers, and the containers, including bags, removed from the site.

Curbside leaf pickup will start mid-October and continue weekly through mid-November or at the discretion of the director of public works. Leaves should be on the terrace by 7:00 a.m. Monday, loose, and shall not be deposited on the street. One pass will be made per street per week. Separate leaf piles and brush piles. Bagged leaves will not be picked up.

The village will not collect any items not in compliance with the above guidelines.

(5) Brush pick-up will start at 7:00 a.m. Monday morning (weather permitting) and continue throughout the week until the brush pick-up is completed. When the Monday is a holiday, brush chipping will be done on Tuesday of that week. *THIS SERVICE IS NOT FOR TREE REMOVAL OR LOT CLEARING.*

Curbside brush pick-up requirements:

- a. All brush will be neatly and loosely placed on the terrace next to the curb with cut ends facing the traffic direction.
 - b. Brush shall not be deposited on the street or sidewalk.
 - c. Brush needs to be accessible from the road. Cars, trailers, etc. must not obstruct the pickup. If the brush cannot be accessed from the roadway, it will not be picked up.
 - d. Brush piles should be stacked in a single row only, no higher than four feet in height. No loose leaves or yard/garden waste.
 - e. Small brush under 36 inches shall be placed in a plastic tote OR place small trimmings (less than one-half inch in diameter) in a pail or garbage can.
 - f. Brush cannot be placed in the right-of-way prior to 72 hours before pick-up starts, unless in the event of a storm or high winds.
 - g. Brush should be no larger than six inches in diameter or exceed 75 pounds in weight.
 - h. Yokes in individual branches over one and one-half inches in diameter shall be cut to facilitate chipping.
 - i. Professional services used to cut down trees shall remove their own materials.
 - j. No root balls, stumps, construction material, grass clippings, shrub trimmings, leaves, bagged brush, or brush with thorns will be accepted. If these unacceptable materials are comingled with the brush, everything, including the brush will be left and will be the responsibility of the resident to remove.
 - k. During the winter months, all brush must be cleared of snow, or the brush will not be picked up.
 - l. CHRISTMAS TREES ARE INCLUDED AS BRUSH.
 - m. Animal waste or other materials with exceptional odor are prohibited from the yard waste collection.
 - n. Any violation of the brush pick-up policy for such violation will not be picked up.
- Wood chips will be brought back to the village shop where residents may pick up for free.

(6) Tires shall be disposed of by hauling them to a responsible vendor. Disposal costs are the responsibility of the generator.

Sec. 18-35(6). - Preparation and collection of recyclable materials.

Except as otherwise directed by the Village of Lomira or any authorized officer, employee, or representative of the Village of Lomira, occupants of single-family and two-to-four-unit residences shall do the following for the preparation and collection of the separated materials specified:

EXHIBIT A

SINGLE STREAM SPECIFICATIONS

RECYCLABLES must be dry, loose (not bagged), non-shredded, empty, and include ONLY the following:

Aluminum cans	Newspaper
PET bottles with the symbol #1 - with screw tops only	Mail
HDPE plastic bottles with the symbol #2 (milk, water bottles, detergent and shampoo bottles, etc.)	Uncoated paperboard (ex. cereal boxes; food and snack boxes)
PP plastic bottles and tubs with symbol #5 - empty	Uncoated priming, writing, and office paper

Steel and tin cans	Old corrugated containers/cardboard uncoated
Glass food and beverage containers* - brown, clear, or green	Magazines, glossy inserts and pamphlets

NON-RECYCLABLES include, but are not limited to the following:

Plastic bags and bagged materials (even if containing Recyclables)	Microwavable trays
Porcelain and ceramics	Mirrors, windows or auto glass
Lightbulbs	Coated cardboard
Soiled paper, including paper plates, cups, and pizza boxes	Plastics not listed above including, but not limited to those with symbols #3*, #4, #6*, #7* and unnumbered plastics, including utensils
Expanded polystyrene	Coat hangers
Glass and metal cookware/bakeware	Household appliances and electronics
Hoses, cords, wires	Yard waste, construction debris, and wood
Flexible plastic or film packaging and multi-laminated materials	Needles, syringes, IV bags, or other medical supplies
Food waste and liquids; containers containing such items	Textiles, cloth, or any fabric (bedding, pillows, sheets, etc.)
Excluded Materials or containers which contained Excluded Materials	Napkins, paper towels, tissues, paper plates, and paper cups
Any paper Recyclable materials or pieces of paper Recyclables less than 4" in size in any dimension	Propane tanks, batteries
Cartons*	Aseptic Containers*

Sec. 18-35(7). - Responsibilities of owners or designated agents of multiple-family dwellings that do not have recycling containers provided by the village.

(a) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in [section 18-35\(2\)](#):

(1) Provide adequate, separate containers for the recycling program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers and at least one of the following shall be met:

a. The minimum total volume of recycling container space is equal to twenty gallons per week per dwelling unit.

b. The ratio of trash container volume to recycling container volume is at most 2:1

c. An alternative method does not result in the overflow of a recycling container during the time period between collection of materials and delivery of a recycling facility.

(2) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.

(3) Provide for the collection of materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.

(4) Notify tenants which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.

(b) The requirements specified in (a) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in [section 18-35\(2\)](#) from solid waste in as pure a form as is technically feasible. Recycling the materials specified in Exhibit A from solid waste in as pure a form as is technically feasible.

Sec. 18-35(8). - Responsibilities of owners or designated agents of non-residential facilities and properties.

(a) Owners or designated agents of non-residential facilities and properties shall do all the following to recycle the materials specified in [section 18-35\(2\)](#):

(1) Provide adequate, separate containers for the recyclable program established under this section. The total volume of recycling containers shall be sufficient to avoid overflowing during the time period between collection of materials and delivery to the recycling facility.

(2) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.

(3) Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.

(4) Notify users, tenants and occupants which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.

(b) The requirements specified in subsection (a) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in [section 18-35\(2\)](#) from solid waste in as pure a form as is technically feasible.

Sec. 18-36. - Prohibitions on disposal of recyclable materials separated for recycling.

No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in [section 18-35\(2\)](#) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

Sec. 18-37. - Enforcement.

(a) For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of Village of Lomira, may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee, or authorized representative of

the Village of Lomira who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.

(b) Any person who violates the provision of this ordinance may be issued a citation by law enforcement to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.

(c) Penalties for violating this ordinance may be assessed as follows:

(1) Any person who violates [chapter 18](#) may be required to forfeit \$50.00 for a first violation, \$200.00 for a second violation, and not more than \$2,000.00 for a third or subsequent violation.

(2) Any person who violates a provision of this ordinance, except [section 18-36](#), may be required to forfeit not less than \$10.00 or more than \$1,000.00 for each violation.

Moved by Tr. _____, seconded by Tr. _____,

to adopt Ordinance No. 385 as presented.

Roll call showed the following results: Ayes: _____

Nays: _____ Absent: _____

Motion carried.

Passed and adopted this _____ day of _____, 2026.

LOMIRA - QUAD/GRAPHICS COMMUNITY LIBRARY

August 2026 Library Report - Emily Artin, Library Director

Library Statistics:

- 1,757 library visits
- 2,671 items circulated (***Aug record!**)
- 836 program participants
- ~200 computer/Wi-Fi logins

Library Highlights:

- **Regular Programming Offerings – Summer 2026**
 - Jr. Storytime
 - Book Club
 - Sheepshead
 - 1000 Books
 - Teen Scene
 - Adult classes
- **Fall Bingo:** We have a new reading promotion during September, Library Bingo! Patrons can complete a bingo activity sheet and enter drawings for prizes including: bowling, swimming, pumpkin farms, and pie!
- **August Circulation Record:** We circulated 2,671 items in the month of August – a new August record for our library! Children's picture books continue to be our most popular items; we have a hard time keeping our new picture book shelf stocked.
- **County Reimbursement:** The Dodge County Library Planning Committee will be meeting on September 9. If the committee recommends the same reimbursement rates for 2027, Lomira would be reimbursed at 100% based on our very efficient cost per circulation. Rates will be set when the county approves their budget in Nov.
- **Water Day:** Thank you very much to the Lomira Fire Department for bringing the truck and water for Water Day. Families enjoyed cooling off in the spray and checking out the truck.

Water Day with Fire Department

Upcoming Library Events:

- Sept 1 – Fall BINGO begins
- Sept 2 – Book Club
- Sept 9/30 – Homeschool Science
- Sept 12 – Finger Knitting (adults)
- Sept 14 – Art Lab
- Sept 21 – Finger Knitting (teens)
- Oct 3 – Windowsill Herbs (adults)
- Oct 9 – Bats (w/ Marsh Haven)

Department of Public Works Report

Long-term outlook

Major long-term projects/update

- South Ave. construction is still moving forward. All work is contracted to be completed by Oct. 2nd
- Water St. Water main replacement project has started.
- EMC on Water St. signed the Village proposal to install a new water lateral to service their building. Should be completed this month.
- Third St. stormwater main to be replaced by Fleishman Excavating this month.

Need to know.

Well #2 pump pulled, and additional testing will be done. Met with the DNR on 9/2 to discuss the enforcement letter and the Village's plans as we advance. Additional meetings will be needed to discuss the failed liner.

Reviewed 90% plans for WWTP Disinfection and blower upgrade on 9/3.

Met with DOT to get an update on Hwy 67/Church St. project. Possible separate contract, construction in the same year, 2028

Month in Review

Crosswalk painting 95% complete

Started playground installation at the athletic field.

Repaired stormwater catch basin on Mary Ln.

Replaced reedbed drain pump

Installed signs on South Ave by the School. Will be reimbursed by the contractor.

Drained and Cleaned Well #1 HMO tank

Lawnmowing

Storm catch basin cleaning.

Routine water sampling.

Replaced water meters.

Weekly brush chipping

Diggers tickets!

Shop repairs on equipment: Monthly inspections, maintenance, and cleaning of Equipment.

Equipment Watch List.

Chipper is a discontinued model, and some parts are no longer available.

Freightliner plow truck is 16 years old

Ford F650 is plow truck is 11 years old

Mack Plow truck is 9 years old

Administrator's Report

August 12th – September 4th

Mission: For each department to continually operate economically while building savings, develop an operating budget that can be financially sustainable, give the public the best value for their tax dollars, maintain services, and provide an enriched quality of life for residents and businesses.

General Fund Revenues YTD:	\$1,684,640.76	84%
General Fund Expenditures YTD:	\$1,402,881.20	73%
Water Fund Revenues YTD:	\$435,698.34	50%
Water Fund Expenditures YTD:	\$597,043.51	68%
Sewer Fund Revenues YTD:	\$659,432.37	55%
Sewer Fund Expenditures YTD:	\$796,181.07	67%

Work Completed: collected sewer and water payments, attended a League of WI Municipalities webinar about e-bikes/e-scooters, met with the WI DNR regarding the radium levels at Well #2, collected electronics from residents for proper recycling, customer service, pet licensing, daily deposits, payroll, monthly bank reconciliations, website maintenance, weekly leak-logger meeting and notices mailed and/or phone calls made, etc.

Looking Ahead: Planning & Zoning Commission will meet on September 23 to consider a conditional use permit request
