

Happy  Holidays!

The Village Board and employees wish you a very Happy Holiday season and a peaceful and prosperous New Year!

Winter Parking

Village residents are reminded that winter parking regulations go into effect at midnight (12am) on November 15 and continue through March 15. No parking on any street or highway in the Village between 3am and 6am.

Residents are also reminded to make arrangements now to keep sidewalks abutting your property free of snow and ice this winter. If snow or ice remains on any street sidewalk for more than 24 hours, the Public Works crew will clear the walk and bill the property owner. The ordinance also

provides for the occupant or owner to be fined for failing to take care of this responsibility. Village residents are asked to please place garbage and recycling carts **behind** the curb for collection or on each side of the driveway, especially in winter. Proper snow removal is difficult when this practice is not followed. Thank you for your cooperation.

Pet Licensing Required Annually

All residents who house dogs/cats in the Village of Lomira need to have their pets licensed annually. **Licenses are valid for the calendar year (January 1 to December 31).**

Licenses must be obtained before April 1 to avoid a penalty. Owners must provide proof of rabies vaccination from their veterinarian to obtain a license.

Valid proof of rabies vaccination includes the rabies manufacturer, serial number, date the vaccination was given, and date the vaccination expires.

Dog and cat license fees are as follows: Dogs/cats spayed/neutered \$10.00 each, un-spayed/un-neutered \$15.00 each. Licenses obtained after the due date will be assessed an additional \$5.00 late fee per pet. Failure to have your dog/cat properly licensed can result in a citation of \$213.10 per pet per occurrence.

Please see the Village clerk's office to obtain your dog/cat license or visit the Village website for the form www.villageoflomira.gov/pet-licensing
